# ASA & ICA 2025

Five Decades of Inspiring Discoveries for Men's Health

Washington, D.C. | March 29-April 1

International Society  
of Andrology

**REGISTER NOW**

The joint ASA-ICA conference highlights the state of research and breakthroughs in all aspects of andrology in basic sciences, translational and clinical disciplines, through presentations by prominent andrologists, early career investigators and trainees. It comprises 15 symposia and 12 lectures, round table, debate, short oral and poster presentations, educational and networking activities packed in four days in Washington, D.C.
